Twitter: [@shaheennnazarov](#)

CERTIFICATIONS

CKAD: Certified Kubernetes Application Developer (Expires: 02/2023).

OCP: Java SE 11 Developer

LANGUAGES

Azerbaijani (Native)

English (Professional)

- Optimizing the current system with implementing EDD patterns

CCI Technologies LLC, Azerbaijan — Software Developer

MAY 2016 - NOVEMBER 2017

- Developing new features for the **ERP system**
- Writing documentation for REST and SOAP web services
- Making UML diagrams(class, flow, use case, sequence)
- Applying new REST APIs in the client-side(web)
- Analysing & optimizing SQL scripts
- Resolving bugs in website and backend with the feedback of the client

EDUCATION

Azerbaijan State University of Oil and Industry, Azerbaijan — Master

Information and Communication Technologies (ICT) Engineering

SEPTEMBER 2017 - JUNE 2019

Azerbaijan State University of Oil and Industry, Azerbaijan — Bachelor

Information and Communication Technologies (ICT) Engineering

SEPTEMBER 2013 - JUNE 2017

SKILLS

Programming languages: Java (expert), Golang (proficient), C# (prior experience), JavaScript (prior experience)

Software architectural design: Monolithic, Microservices, SOA, EDD, TDD, CQRS

SQL/ORM Frameworks: JPA, Hibernate, MyBatis, JOOQ

Spring Technologies: Spring Core, Spring Boot, Spring Cloud, Spring MVC, Spring Data, Spring Security

Web Services: REST, SOAP, Grpc

Databases (RDBMS/NoSQL): OracleDB, MySQL, PostgreSQL, MongoDB

Version Control Systems: Git

DevOps Tools: Jenkins, TeamCity, Docker, Kubernetes, Linux Shell Scripting, Nexus, ELK Stack, Graylog, Prometheus(with Grafana)

Other: Apache Kafka (Kafka Connect), RabbitMQ (with AMQP and MQTT protocols), Maven, Gradle, Redis, Memcached, Cryptography
